

2019 Legislative Affairs Meeting at Toledo Beach Marina

Please mark your calendars for a MAA legislative affairs update meeting scheduled to take place June 13, 2019 at 12:00 pm at the Toledo Beach Marina (11840 Toledo Beach Rd, La Salle, Michigan).

Topics will include an update on the current political climate as well as long term political strategies. We will also discuss the MAA PAC and its objectives.

For those interested, immediately following the meeting, MAA has arranged for an afternoon of great walleye fishing on beautiful Lake Erie, the Walleye Capital of the World.

This is a great opportunity for companies to treat valuable customers

and key personnel as well as network with others in the industry.

The cost per boat is \$675 and includes all necessary equipment, 1st mate, fish cleaning, and use of beverage cooler (lunch will be provided by Stoneco of Michigan).

The 5-hour charter will depart around 1:00 pm (or immediately following the meeting).

Fisherman will need to make sure to have a valid fishing license prior to departing from the dock.

To reserve a boat (holds up to 5 fisherman), please contact the MAA office at 517-381-1732. There is a limited number of boats so make sure to make your reservation now!!!
