

Legislative Update

Dave Ladd

2.3.22

State of the State 2022

The background is a dark, abstract composition featuring concentric circles and a bokeh effect. The circles are formed by light trails, with colors ranging from deep blue to bright cyan. In the center, there are clusters of small, out-of-focus lights in shades of orange, yellow, and green, creating a sense of depth and movement. The overall effect is reminiscent of a microscopic view or a high-speed photograph of light patterns.

Highlights

1. Tax Cuts!
 - A. "End the Retirement Tax"
