Virtual or in-person training

On-line annual training using modules

- **PART 46 Annual Refresher Training On-line 8 hour Course**
 - 2 modules – one with **First Aid / CPR / AED certification where first aid cards will be issued** and one which has only a short review of first aid.
 - **Cost is \$45 per trainee (maximum \$900 for 20 or more trainees from a single company taking the 1 day class)**

On-line annual refresher training using the zoom app

- **Part 46 and 48b Annual Refresher Training Web-Based Live Conference 8-hour Course**
 - **Cost is \$45 per trainee, with a minimum class fee of \$450 for 1-10 trainees. \$45 per trainee above 10. Maximum class size for a 48b ZOOM class is 15 people. Part 46 class sizes will be decided by the responsible person at the company who will monitor the classes to ensure that trainees are participating. Part 46 class sizes should not exceed 30.**

Part 46 and 48B new minter on-line training (currently only available on zoom)

This is a 24-hour course and would be completed in three 8-hour days at a prearranged time. Contact us for more information. Costs/day and class-size limitations are the same as those for annual refresher training.
