

2022 MAA Safety Awards Program

Entry Form

The Annual MAA Safety Award Program is a way to recognize members that encourage and promote a safe work environment.

To be considered for a 2022 MAA Safety Award, please complete the enclosed form and return it to the MAA Office by January 1, 2022.

Award recipients will receive a plaque that can be proudly displayed in the main office as well as a 3 ft by 5 ft banner that can be displayed at the entrance of the award winning facility(s).

All submittals require a \$100 application fee which includes one plaque and one banner. If additional banners are requested for multiple locations, please include an additional \$50 for each additional banner.

All award recipients will be announced during the February 3, 2022, MAA Annual Conference at the MGM Grand Detroit.

Help us recognize our industry's commitment to safety by participating in the MAA's Safety Award Program.

If you have any questions call the MAA office at (517) 381-1732.

Basic application fee (includes one plaque and one banner) - \$100

Additional banners for multiple locations - \$50

2022 MAA Safety Awards Program

Entry Form

In the space below, please list all separate plants operational in the MSHA fiscal reporting year ending in 2021 including the total number of hours worked for the year (a), the number for recordable injuries (b), and how many months/years since that site's last lost time injury. Please print all information and use a separate sheet if necessary. **Even if you had recordable injuries, please fill out this form as the MAA uses this information to compile statewide frequency rates.**

Plant Name	Location	Superintendent	Total Personnel Hrs. Worked (a)10/1/20-9/30/21	Number of Recordable Injuries for (b)10/1/20-9/30/21	Months Since Last Lost (c)Time Injury

- (a) Indicate MSHA reportable hours for the following subunit codes (03 for our regular surface quarries, 06 for sand & gravel dredging operations, 30 for production plants (crushing/screening operations), 99 for scale-house operations). **Do not** include such activities as concrete and bituminous plants, block plants, etc.
- (b) Recordable injuries as reported on MSHA Form 7000-1 and in accordance with 30 CFR Part 50.
- (c) Lost-time accidents and workdays charged are those prescribed by MSHA regulations.
- (d) Award time line will be shifted to MSHA fiscal year reporting period ending in 2021.
