*"Construction Angels are the first responders to the construction families in need of assistance when a disaster happens"*

Construction Angels is a 501(c)(3) Non-Profit Corporation that provides immediate financial assistance to the spouse and children left behind after a construction worker suffers a fatality on the construction jobsite. CA also provides grief counseling to the families and construction workers who are seeking help when a tragedy occurs.

We hope you embrace the Construction Angels 501(c)(3) charity in Michigan, as we grow towards our nationwide goal to assist the families of "One of Our Own" in the construction industry. Funds raised in Michigan will directly benefit construction workers families in the State of Michigan.

**All proceeds go to Construction Angels, Inc. benefiting the families of construction workers who have lost their lives on the jobsite.**
